writ.
cushion is swung relative to the frame 4 so that it rests against the frame 4 to provide a headrest
for one reclining on the chair.--

IN THE DRAWINGS:

A drawing change authorization request is included herewith on a separate sheet to delete
the extraneous references to items 1, 13, 15, 25, 26 and 35, and to add the inch symbol ("") to
each pictured dimension to avoid its being confused as a reference character.

IN THE CLAIMS:

Please amend claim 2 as follows (which is shown in clean form). A redlined version is
being submitted herewith on a separate sheet (Appendix B):

A3
2. The articulating chair according to claim 1, wherein said pair of separate generally
U-shaped frame portions are chamfered about their ends.

REMARKS

This amendment is being submitted in response to the Office Action dated 13 February
2002, the time to respond being today. Claims 1, 2 and 6 remain pending, and claims 3-5 are
withdrawn following applicant's election of Group I, Figures 3-11. However, applicant reserves
the right to reintroduce claims 3-5 because claim 1 is considered to be generic and allowable as
